

# Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to the [www.globalappdevelopment.com](http://www.globalappdevelopment.com) and Global App Development LLC and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Global App Development LLC include [www.globalappdevelopment.com](http://www.globalappdevelopment.com) and Global App Development. The Global App Development website is a Digital Services site. By using the Global App Development website, you consent to the data practices described in this statement.

## Collection of your Personal Information

Global App Development may collect personally identifiable information, such as your name. If you purchase Global App Development's products and services, we collect billing and credit card information. This information is used to complete the purchase transaction. Global App Development may also collect anonymous demographic information, which is not unique to you, such as your age and gender. We may gather additional personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by Global App Development. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Global App Development website.

Global App Development encourages you to review the privacy statements of websites you choose to link to from Global App Development so that you can understand how those websites collect, use and share your information. Global App Development is not responsible for the privacy statements or other content on websites outside of the Global App Development website.

## Use of your Personal Information

Global App Development collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Global App Development may also use your personally identifiable information to inform you of other products or services available from Global App Development and its affiliates. Global App Development may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Global App Development does not sell, rent or lease its customer lists to third parties.

Global App Development may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. Global App Development may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for

deliveries. All such third parties are prohibited from using your personal information except to provide these services to Global App Development, and they are required to maintain the confidentiality of your information.

Global App Development may keep track of the websites and pages our users visit within Global App Development, in order to determine what Global App Development services are the most popular. This data is used to deliver customized content and advertising within Global App Development to customers whose behavior indicates that they are interested in a particular subject area.

Global App Development will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Global App Development or the site; (b) protect and defend the rights or property of Global App Development; and, (c) act under exigent circumstances to protect the personal safety of users of Global App Development, or the public.

### **Use of Cookies**

The Global App Development website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Global App Development pages, or register with Global App Development site or services, a cookie helps Global App Development to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Global App Development website, the information you previously provided can be retrieved, so you can easily use the Global App Development features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Global App Development services or websites you visit.

### **Security of your Personal Information**

Global App Development secures your personal information from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

### **Children Under Thirteen**

Global App Development does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

### **Opt-Out & Unsubscribe**

We respect your privacy and give you an opportunity to opt-out of receiving announcements of certain information. Users may opt-out of receiving any or all communications from Global App Development by contacting us here:
